FELLOWES BRANDS EXPANDS STORAGE CATEGORY WITH ACQUISITION OF LOEFF'S PATENT B.V.

Fellowes Brands has expanded its legacy category of archival and storage with the acquisition of Loeff's Patent B.V. Joining the Fellowes BANKERS BOX® category, family-owned Dutch brand Loeff's will service Fellowes European markets with its extensive range of archival, storage and filing products to help organise workplaces.

Hajo Hoekstra, Fellowes Director for DACH countries, Benelux and Scandinavia, and General Manager for Germany, comments: "Fellowes is the global market leader for archival storage with BANKERS BOX®. I am pleased to share that the acquisition of Loeff's, demonstrates our ongoing commitment to the overall category while giving us and our customers access to Loeff's unique product assortment. This acquisition also provides our valued customers with the opportunity to bring additional products to market, providing further growth prospects."

Rita de Reuver, owner of Loeff's, comments: "I'm very pleased that I can hand over our company to Fellowes, a 100-year old family business with roots in archiving solutions."

Customers can place their Loeff's orders at cs-benelux@fellowes.com or speak to their dedicated Fellowes account manager for any assistance.
